Chris, Tom, Pete,  
I apologize but I'm running a little late today. Could we please meet at the visitors center at 1230 instead of noon?

Hi Everyone – Please plan on discussing the following during this afternoon's meeting:

- BOU
- PPMR
- Vapor Intrusion Prevention Plan – fatal flaws?
- Building 20002 – any additional questions?
- Planned 2019 Projects

Topics that do not include Daewon and Jim

- Area 40 prep for CAG

For the afternoon team, please plan on arriving at noon at the visitor center. I will escort everyone back at once. I will not be able to make multiple trips, so we will wait for everyone to arrive before walking to the conference room.

Thanks, Chris
